PRESIDENT'S ANNUAL REPORT 2011

"I am pleased to present this report to the 18th AGM. I must first pay respect to the memory of those of the Jazz Family who were taken from us throughout the year...notably Ian Whittaker & Jeanne Gerlach and most recently Joy Bryce. Membership numbers remain around 450 & I urge members to spread the word and try to get some new faces to join.

I thank CC Leagues Club Chairman Peter Reynolds and Directors of the Club for their support over many years, and the management & staff for their assistance & co-operation. In particular John Keene, Trish Maclean, Tony Mills, Kathy Blewitt, Karen Ross along with the Duty Managers, bar staff & cleaners, especially Tom & Randall who work particularly hard to get the room in order for us after Saturday's disco.

"Jazz Futures" continue to be held periodically in the Scenic Lounge and youth is vital to the continuity of Live Jazz. We continue to encourage young musicians, and this year through Youth in Performing Arts scholarships our award went to Lilia Jackson and the "Mal Hansen Memorial Award" was presented to the New Empire Ballroom Ragtime Dance Orchestra. Another successful "We Remember Mal" day was held in July and funds raised further boosted the Scholarship Fund...the annual interest from this is earmarked to provide the funds necessary for those scholarships & grants.

Thank you to all the committee members for their ongoing devotion to duty, and we welcome Ed Harvey. Also, many thanks to Don McAlpine as Webmaster and Sue Berry for greeting newcomers & introducing them to the Jazz family, Thank you all for your loyalty and support."

Dot White President [18th AGM held 25/9/2011]
